SKILLS

- ❖ **Programming Languages** | JavaScript • Java • Python (DSA) • TypeScript • SQL
- ❖ **Libraries and Frameworks** | React JS • Redux • NodeJS • ExpressJS • Prisma ORM • JWT
- ❖ **Databases** | PostgreSQL • MongoDB
- ❖ **Tools** | Git • GitHub • VS Code • Postman

EDUCATION

- ❖ Computer Engineering | HKBKCE, Bengaluru CGPA: 9.22 | (Dec '21- Sep '24)
- ❖ XII | S Nijalingappa BFR PU College, Bengaluru 93.50% | 2021
- ❖ X (SSLC) | Kanara English School, Bengaluru 95.50% | 2019

PROJECTS

- ❖ **Inkwellify - UsersBlogApp** | [\(LINK\)](#) (Feb '24)
Developed a blogging platform with **ReactJS**, **NodeJS**, **ExpressJS**, and **PostgreSQL**. It features a user-friendly interface for managing blogs, including likes, comments, and profiles. Users can edit and delete posts, with secure **JWT authentication** ensuring safe user sessions and data handling.
- ❖ **Ani Watch - APIs Based Anime Explorer** | [\(LINK\)](#) (Sep '23)
I developed an **Anime Explorer** with **ReactJS**, showcasing anime details and user reviews. The platform uses **external APIs** for data retrieval and integrates backend functionalities for efficient data management.
- ❖ **Attendance Management System** | [\(LINK\)](#) (Mar'24)
Developed an attendance management system with **ReactJS**, **NodeJS**, **ExpressJS**, and **PostgreSQL**. Implemented efficient **CRUD operations** and optimized database interactions.
- ❖ **Apple Arcade Clone** | [\(LINK\)](#) (May'23)
Designed a dynamic landing page for an Apple Arcade clone with **HTML** and **CSS**, mirroring the platform's sleek, interactive design. Showcased skills in responsive and engaging web development.

EXPERIENCE

- ❖ **Open Source Contribution** | repo: [Omkar-Sonawane-23/Tourism](#) (May'24)
Implemented a "Contact Us" page with Google Maps integration using **ReactJS** and **Tailwind CSS**, enhancing user location, contact, and accessibility.

ACHIEVEMENTS

- ❖ **TECHSIUM '24 | ISTE, HKBK College of Engineering** (Jan '24)
Won **1st place** in a hackathon, competing among 200+ participants on Front-End Web Development topics.

CERTIFICATIONS AND COURSES

- ❖ Mastering Python - Infyspringboard
- ❖ React JS Free Course - Scaler
- ❖ Backend Development Course (Node JS, Express JS, REST API) - PHYSICS WALLAH
